

## Pärtel-Peeter Pere

CEO and partner Future Place Leadership

---

Pärtel-Peeter Pere is the CEO and partner of Future Place Leadership, a Stockholm based management consultancy specialising in the development, innovation and marketing of places. They strive to make places more attractive, connected and sustainable for people and business. Cities are at the forefront of economic development and innovation. Pärtel has worked with Talent and Business Attraction projects, sustainability, place development and marketing projects in the Nordics and Europe, with various Investment Promotion Agencies, clusters and cities. He's in the jury at City Nation Place, the annual place branding and marketing conference in London.
