

Free swimming school for children in preschool class

If you have a child who was born in 2012 and will be starting preschool class after the summer, you can register your child in our free swimming school. Swimming school begins in the autumn and gives your child an opportunity to get used to being in the water. This makes it easier to learn to swim.

Swimming school takes place outside of school hours, and no prior experience is required. If it is difficult for you to arrange transport to and from swimming school, your child can get a bus pass.

If you have any questions, feel free to contact Växjö Municipality by phone at 0470-410 00 or by e-mail to info@vaxjo.se.

You can read more about swimming school and register your child by visiting www.vaxjo.se/vattenvan
